Mr. Gautam Sahni
FRANCHISE HEAD, US DOLLAR STORE

Tell us about the concept of US Dollar Store?

The US Dollar Store is a pioneer in the dollar store industry. As a franchise owner of a Dollar store, you gain access to over 20 years of operating experience. US Dollar Store offers a time-tested retailing formula and a well-developed vendor distribution system that ensures you, as a franchise owner, receive distinctive and high-quality merchandise when you need it.

What you think about Franchise Business? How is this concept different?

The US Dollar Store franchise concept is just as distinctive as our retailing and merchandising concepts. In recent years, franchising has taken the lead as the most popular method for conducting business. The reasons are simple. Franchising offers a host of benefits no other business model can match:

- Proven business processes
- Established distribution channels

What support and training is provided by US Dollar store to the franchisees?

Nanson Overseas helps franchisees through every step of setting up and running the business. We will assist our franchisees in following ways:

- Assistance in selection of the best real estate at the right terms.
- Extensive in-house training program
- Production of grand opening flyers and materials
- Assistance in creating advertising for local marketing

What is needed to become a US Dollar store franchisee??

- Have enough capital
- Arrange an interview
- Identify suitable location
- Secure location & get franchise with deposit
- Set-up the US Dollar Store
